NEIGHBORHOOD TAX CENTERS OFFER THE WHOLE PIE TO HOUSTON FAMILIES THROUGH FREE TAX PREPARATION

Families can call 2-1-1 Texas/United Way HELPLINE for free tax assistance in these difficult economic times

- WHO:** Neighborhood Tax Centers, a program of Neighborhood Centers Inc.
- WHAT:** Neighborhood Tax Centers will hand out 2-1-1 all-American fresh apple pies showing how free tax preparation gives families the whole pie, not just a slice of the refunds, tax credits and money they have earned. The 2-1-1 is significant because Houstonians can call the 2-1-1 Texas/United Way HELPLINE for information on the Neighborhood Tax Center in their neighborhood. Neighborhood Tax Centers provide free tax preparation to families who earn up to \$50,000 or single individuals without children who earn up to \$30,000, which are approximately half the households in the Houston area.

For free tax preparation, Houstonians can contact the 2-1-1 Texas/United Way HELPLINE at 2-1-1 or visit www.neighborhood-centers.org/tax.
